

4th of July Freedom Festival
Cass City

Dear Food Vendor,

Our Annual Fourth of July Festival will be held this year on Friday June 30th and Saturday July 1st. The park festivities begin with Bingo on Thursday night June 29th at 6:00 pm. The crafters will be in on Friday and people will start walking around the park. Saturday's events host a parade, arts and crafts, a flea market, and other special events, concluding with a wonderful fireworks display at dusk.

It would be GREAT to see you participate again this year. **There are a limited number of spaces available, so please be sure to return the application and your proof of insurance forms as quickly as possible. The insurance must state the following – “Additionally Insured – Village of Cass City.” We will keep your proof of insurance on file at the village office.**

You can set up Friday, June 30th between 10 am – 2 pm, so you may be in place for Friday night activities, which begin at 4 pm. If you have electrical requirements, please be prepared to supply a generator, since there is a limited power supply in the park.

You will also be required to obtain a food service permit from the Tuscola County Health Department. This request is done directly with them and a minimum of thirty days' notice is required to schedule their inspections. Their telephone number is (989) 673-8114. We look forward to receiving your application. Thank you.
