## Volunteer Hours Donation Form

In order to adequately staff the events sponsored annually by the Cass City Chamber of Commerce, there is a constant need for volunteers. We are asking that all Chamber members **try** to donate at least four (4) volunteer hours per year to one of the events listed below. This will benefit you as a Chamber member by increasing your presence in the community, getting your name and face out there in a positive way at these well-received events, and creating an atmosphere of fellowship within the Chamber and the community at large. It will also benefit the Chamber of Commerce and the community by allowing us access to the volunteers necessary to sufficiently staff these ever-growing events.

Please check off the event or events at which you or any representative from your business wishes to volunteer to work a four-hour shift. You can volunteer to work at more than one of the events or for a longer period of time at any event, but we are asking for a minimum of four hours at at least one event. Just return this completed form, and we will contact you prior to your requested event to schedule your volunteer time. If you have a problem with this request or have any questions, please do not hesitate to contact the Chamber of Commerce office at (989) 872-4618. We want this to be a positive, rewarding experience for everyone involved.
