This is our first digital newsletter! As many of you may remember, the Chamber previously produced a quarterly paper newsletter, the Chamber Chat. Due to costs and technical difficulties, that was ended. However, thanks to Baker College, Hills & Dales General Hospital, & Diva Disposal, we are BACK!

We will now be sending out quarterly digital newsletters, starting with this one. They will be filled with Chamber news, community news, and other things we feel might be of interest to our members and friends. In this edition, we will introduce you to the Chamber Board Members and fill you in on some upcoming Cass City events.

As stated earlier, this will be a quarterly publication. We were excited about getting this first edition out to you, so we jumped the gun by a month. In the future, Chamber Chats will be sent to you electronically in January, April, July, and October. If for some reason you do not wish to be included in this mailing, please reply to this email with "UNSUBSCRIBE" in the subject line.

Also, we would like your feedback to let us know how we are doing or if there is something you would like to see in the upcoming Chamber Chats. We can be reached at [ccc@casscitychamber.com](mailto:ccc@casscitychamber.com). Remember, this is for YOU!

## 2013 Beautification Project

As summer arrives and people from near and far come to Cass City to enjoy our village and all we have to offer, it is important to put our best foot forward and show our village in its best possible light. That is why the Chamber of Commerce is joining forces with generous community minded businesses and individuals, as well as our village government, to beautify the Main Street and parks of Cass City.

Area businesses may sponsor a flower pot, trash

surround, picnic table, or trash can with their business name and telephone number. Individuals may do the same, with “in memory of” or “in honor of” and the name of that special person marking their contribution.

The money from this project will go to fund Cass City Chamber of Commerce activities, as well as the Cass City Parks and Recreation Department.

If you or anyone you know may be interested in more information, please contact the

Chamber office at (989) 872-4618 or your favorite Board Member. We would love to give you more details.

Attached is a link to the Cass City Chamber of Commerce website. Please click the link to navigate to the website. Then, click on **Beautification Project** in the left hand column Main Menu for further informational forms and links.

## Freedom Festival

An eagerly anticipated event each summer in Cass City is the Annual Freedom Festival. This year’s Freedom Festival will be held Thursday, July 4 through Saturday, July 6.

Along with the huge Freedom Festival Parade and Grand Finale Fireworks display, the festival events include: a golf

tournament, craft show, car show, 5K/8K Run, softball tournament, 3 on 3 basketball tournament, Little Miss and Mister Firecracker pageant, and much, much more.

Attending this event with your family is a great way to show your support for our village and to show your patriotism on

the 4th of July.

## Summer Mania

This year, we will once again be hosting Cass City Chamber of Commerce Summer Mania on the first Friday in August. That means this year’s event will run from Thursday, August 1 through Saturday, August 3, with the highlight day being Friday, August 2.

As in years past, it will include many fun filled activities

such as: a car show sponsored by Curtis Chrysler, arts and crafts, food vendors, inflatables for the children, free snow cones, free cotton candy, and our own Trigger Happy providing nighttime music in Rotary Park. There will also be weekend long town-wide garage sales and a huge book sale at Rawson Memorial District Library. Each year this

event brings in huge crowds. Come be part of the fun!

As always, this event is free to the public and is run by volunteers. So if you or anyone you know would like to volunteer, please just contact the Chamber office at (989) 872-4618 or by email at [ccc@casscitychamber.com](mailto:ccc@casscitychamber.com).

# Pinktober

As the month of October brings on cooler weather and the thoughts of young children turn toward "Trick-or-Treating", the Village of Cass City puts it's thoughts on Breast Cancer Awareness. For the entire month of October, the whole town is decked out in PINK, with a host of community events scheduled all month long to increase awareness, develop community spirit, and raise money for the American Cancer Society.

Some of the annual events include a business decorating contest and a 5K Run/Walk. Another event to look forward to is "Pink or Treating". At this event, you can visit the various businesses and receive goodies, flyers, or whatever the area businesses are handing out.

Like us on Facebook at **Pinktober: A Community with a Cause**. You can also learn more by clicking on the Chamber link below. After being

redirected to the Chamber website, please select **Events** in the left hand column menu, and then select **Pinktober**.

**Tip:**

If you are over 40, be sure to have an annual mammogram. This is one of the best ways to detect breast cancer early and improve your chances of surviving.

# Christmas in the Village

Cass City's Christmas in the Village is one of the most well known and highly anticipated festivals in Cass City, and is a great time for families and kids of all ages. This event offers a variety of activities throughout the day. In the morning and afternoon, families can enjoy a craft show at the Cass City High School, a town wide chili cook off sponsored by Knight Insurance, or a free movie at the Cass Theatre. In the

evening, they can join the community at a huge lighted Christmas parade and FREE community gathering, including a visit from Santa and Mrs. Claus!

This year, the event is being held on **Saturday, December 7th**. And, if that were not enough, there is also a **FREE TO CHILDREN** Breakfast with Santa, sponsored by McDonalds, the following Saturday on **December 14th** at

the VFW Hall.

For more information on either of these events, please click on the link below which will navigate you to the Cass City Chamber of Commerce website, then click on **Events** in the left side menu, and choose either **Christmas in the Village** or **Breakfast with Santa** for the rest of the story!
